It is a great pleasure to welcome all competitors, spectators and staff from the nine member schools to the 2019 GPS Swimming Championships.

This year will be the 6th Junior GPS event (10Years & U – 12 Years & U) in the morning, and 96th senior carnival event for (13 Years & U – Open) in the afternoon.

The GPS Championships is an exceptional way to bring young athletes together to compete in this world-class venue. The legendary atmosphere created by supporters from every school inspires competitors to give of their very best, to stretch their own personal goals - whatever they may be, and to take their performances to the next level.

We wish every competitor well today and look forward to an outstanding event!

## Conditions of Entry **Sleeman Sports Complex**

- The use of cameras, audio or video recorders and other recording devices within the facility is strictly prohibited, unless prior permission has been given.
- No bags on pool deck, walkways or stairways.
- Standing or sitting in stairways is not permitted, nor stomping or standing on Grandstand seating.
- For your safety, no leaning or hanging over handrails at the bottom of seating areas is permitted.
- The use of mechanical aids to barracking such as battery operated loud hailers are not permitted (Note: School non battery loud hailers/cones are permitted).
- Offensive or inappropriate behaviour will not be tolerated and will result in immediate eviction from the facility by venue staff.

## Competitors' Starting Instructions

1. Consistent with the amended provisions of The Swimming Rules, the Starter will not necessarily brief competitors on his requirements before the Start.
2. The Referee will give a long, drawn out crescendo blast on the whistle to signal competitors to take up a position on their blocks, or, in the case of a Backstroke event, to come to their starting positions in the water.
3. Feet first entry to the pool will apply to all backstroke events.
4. When requested by the Check Starter, the competitors will move in a group onto the Pool-deck each to a position immediately behind his/her Lane Starting Block.
5. After the competitors have placed themselves behind their respective blocks, the announcer will make the appropriate introductions.
6. The Starter will give the precautionary command "Take your marks". Competitors will immediately take up their starting positions at the front of the starting block, or, in the case of a Backstroke event, their starting positions in the water, and REMAIN STATIONARY.
7. When all competitors are stationary the Starter will give the starting signal.
8. Competitors must finish in the lane in which they start. They will remain in the water in their lanes at the finish of the event until a signal is received from the Referee to leave the water.
9. The False Start Rules will be applied in this way:
  - a. A swimmer who dives into the pool before ASSUMING AND HOLDING his starting position prior to the signal to start is liable to disqualification on the recommendation of the Starter and with the concurrence of the Referee.
  - b. A swimmer who is told to 'stand up' and who then wilfully dives into the pool after the order is given would contravene the "wilfully disobeying an order" rule and consequently is liable to disqualification on the recommendation of the Starter and the concurrence of the Referee.
  - c. A swimmer who overbalances and falls into the pool after being told to 'stand up' is not, however, in contravention of the "wilfully disobeying an order" ruling.

### JUNIOR GPS

#### 10 Years & Under - 12 Years & Under

- In this meet, the Two Start Rule will apply.
- If the swimmer is showing intent to swim the stroke correctly, Referees will make every effort to avoid disqualifying swimmers. The referee will talk to the swimmer through the competition should a minor infringement occur.

### GPS

#### 13 Years & Under – Open

- In this meet, starts will be in accordance with the F.I.N.A. International Rules.
- The one start rule shall apply throughout the whole of the meet.
- Any relay team shall be disqualified from a race if a team member, other than the swimmer designated to swim that length, enters the water when the race is being conducted, before all swimmers of all teams have finished the race.

### BARRACKING

Shortly before the commencement of each event a whistle will be blown to serve as a request to all supporters to refrain from making any noise until the competitors have entered the water.
