1 Status and Interpretation of Rules

- 1.1 By nominating teams in QDU competitions, schools agree to be bound by these Rules, including the Fees Schedule (as defined in Rule 21.2).
- 1.2 In addition to these Rules, schools are responsible for ensuring students, coaches, parents and other representatives are aware of and comply with the QDU Code of Conduct available on the QDU website as updated from time to time.
- 1.3 The Vice-President (Schools), in consultation with the QDU Executive, is responsible for the interpretation of these Rules, and may determine any matter not covered by these Rules (including the extent of their application in exceptional circumstances).
- 1.4 Decisions of the Vice-President (Schools) may only be appealed to the QDU Executive where a complainant can demonstrate that they are manifestly unfair and unreasonable.
- 1.5 Powers of the Vice-President (Schools) in these Rules may also be exercised by:
 - (a) the President; or
 - (b) a delegate designated by the Vice-President (Schools) or the QDU Executive from time to time, in which case such exercise shall be subject to reversal by the relevant delegator.

2 Communication

- 2.1 All communications in relation to these Rules shall be first made to the QDU Administrator (admin@qdu.org.au) in writing within seven days of the matter arising.
- 2.2 All complaints relating to a debate or adjudication must state:
 - (a) the name and telephone number of the complainant;
 - (b) the date, grade and topic of the debate;
 - (c) the teams in the debate;
 - (d) the basis of the complaint;
 - (e) the proposed resolution of the complaint; and
 - (f) the name of the adjudicator.

Note: Adjudicator names are posted on door signs at debate rooms.
- 2.3 Correspondence that does not comply with this Rule 2 may be disregarded.

3 Breach of Rules and Powers of the Vice-President (Schools)

- 3.1 Where a team believes these Rules have been breached, their school coordinator may notify the Vice-President (Schools) in accordance with Rule 2.
- 3.2 Adjudicators are not to be called upon to determine a breach of these Rules or to award a debate on the basis of the potential breach, and potential breaches should be referred to the Vice-President (Schools) after the debate. However, adjudicators may be asked to correct breaches relating to the conduct of the debate (such as if the timekeeper is ringing bells at incorrect times).
- 3.3 The Vice-President (Schools) may determine:
 - (a) whether to investigate a potential breach of these Rules;
 - (b) whether or not a breach has occurred; and
 - (c) whether any action is appropriate in relation to a breach.
- 3.4 The Vice-President (Schools) may take the following action in response to a breach of these Rules (or where the circumstances otherwise demand it):
 - (a) deem a team to have won a debate (which may be done with or without affecting the result awarded to the other team);

- (b) issue warnings;
- (c) deem a team to have lost a debate;
- (d) deem a team to have forfeited a debate;
- (e) disqualify a team from participation in the finals series;
- (f) ban a student, parent or other person from attendance at QDU debates or events; or
- (g) take any other action appropriate in the circumstances.

4 Year Level Requirements

- 4.1 Teams in each grade of the competition must be comprised at all times of students from the relevant grade of school or below (for the purposes of these Rules, Senior A is the highest grade and is open to all students in year 12 or below).
- 4.2 If requested, schools must provide the year level of debaters nominated in teams.
- 4.3 Teams in breach of this Rule 4 are deemed to forfeit.

5 Team Composition

- 5.1 Teams must contain either four or five members, unless the Vice-President (Schools) has in their discretion authorised a team of three members.
- 5.2 No debater may speak more than once in:
 - (a) the same debate; or
 - (b) in the same grade and the same round,otherwise the team for which they speak the second (or further) time is deemed to forfeit.

6 Change in Team Composition

- 6.1 The members of a team may only be changed for the first and second rounds of debates, unless the Vice-President (Schools) has given approval for a permanent later change in team composition due to exceptional circumstances.
- 6.2 The members of a team from the start of the third round onwards must be comprised only of debaters who have been members of the team in the first or second rounds.
- 6.3 If requested, schools must confirm the final team membership before the start of the third round of debates.
- 6.4 Teams in breach of this Rule 6 are deemed to forfeit, unless the breach is permitted as a substitution under Rule 7.

7 Substitution of Team Members

- 7.1 If required, a maximum of two substitute debaters may be used as speakers in a debate.
- 7.2 Substitute debaters may be either:
 - (a) debaters from a team in a lower grade (for Senior A, year 12 is lower); or
 - (b) students from that grade or a lower grade who are not in another QDU debating team.
- 7.3 Substitute debaters may not be used to replace a non-speaking team member who enters the preparation room for a short preparation debate.
- 7.4 A student may only act as a substitute debater up to two times in one calendar year across all grades.
- 7.5 Substitutions are not permitted after the chairperson has opened a debate, except in exceptional circumstances.

8 Postponements

- 8.1 Applications for postponements must be made to the Vice-President (Schools) online through the QDU Competition Management System as soon as possible and at least two weeks prior to the scheduled date of the debate. Applications for postponements after this deadline will be refused.
- 8.2 The Vice-President (Schools) may approve an application at their discretion and only in these circumstances:
 - (a) compulsory school events (as defined in Rule 21.1); or
 - (b) other exceptional circumstances.
- 8.3 If an application is granted, schools must pay the relevant fee set out in the Fees Schedule.
- 8.4 If an application is granted, the relevant teams must determine a time and venue for the postponed debate in consultation with the QDU Administrator. Schools must act reasonably when approached to make arrangements for the postponement of a debate.
- 8.5 If an application is granted but the other team is unable to debate at a later time, the team granted the postponement is deemed to have lost the debate.
- 8.6 Applications for postponement of the fourth round of debates will not be granted, however applications to bring such debates forward may be granted under this Rule 8.

9 Forfeits

- 9.1 This Rule 9 applies if teams forfeit or are deemed to forfeit a debate, but not if a team is deemed to have lost a debate.
- 9.2 Teams must ordinarily seek postponement of a debate under Rule 8.
- 9.3 A team forfeits a debate if:
 - (a) the school coordinator notifies the QDU Administrator online through the QDU Competition Management System to that effect;
 - (b) less than three members of the team are present 15 minutes after the scheduled start time of a debate;
 - (c) less than three members of the team are present 30 minutes after topic release for a short preparation debate;
 - (d) these Rules deem that a team has forfeited; or
 - (e) the Vice-President (Schools) deems that a team has forfeited under Rule 3.4.
- 9.4 In order not to waste preparation work, debates may go ahead where a forfeit is due to the failure of team members to show up, with such adjustments (such as a debater speaking twice) as are necessary in the circumstances, however this Rule 9 will still apply.
- 9.5 If a team forfeits a debate, the following consequences apply:
 - (a) the other team is deemed to win the debate (unless that team also forfeits);
 - (b) the school must pay the fee set out in the Fees Schedule; and
 - (c) the forfeiting team will be ineligible for the finals series.
- 9.6 A forfeiting team may apply for the Vice-President (Schools) to waive 9.5(b) or 9.5(c) in exceptional circumstances.
- 9.7 Schools with teams forfeiting with or without notice on a regular basis will be warned, and failure to heed this warning may be penalised at the discretion of the Vice-President (Schools), including by excluding the school from registering teams in the QDU competition in subsequent years.

10 Adjudication

- 10.1 Complaints regarding adjudication must be made by school coordinators in accordance with Rule 2 within seven days of the adjudication.
- 10.2 Complaints that do not comply with Rule 2 or Rule 10.1, or which lack sufficient detail, may not be investigated.
- 10.3 The Vice-President (Adjudicators) may review an adjudicator's decision at their discretion, however will not award a win to a losing team because of technical breaches or peripheral issues that do not go to the core of the decision.
- 10.4 School coordinators are to review the concerns of their coaches or students and exercise judgment in each case as to whether the making of a complaint is justified.
- 10.5 Schools submitting complaints that are not upheld on a regular basis will be warned, and failure to heed this warning may be dealt with at the discretion of the Vice-President (Adjudicators), which may include a decision to cease investigating complaints made by that school or in relation to a particular team.

- 11.1 If no adjudicator is present at the scheduled commencement of a debate, the teams must contact the venue coordinator (who will contact the QDU Administrator).
- 11.2 The QDU may allocate a substitute adjudicator.
- 11.3 If no adjudicator is present within 30 minutes of the scheduled commencement time:
 - (a) the debate may go ahead without the adjudicator; and

 - (a) the time of an adjudicator's arrival; and
 - (b) whether an adjudicator not adequately accredited for that grade is 'no adjudicator'.
- 11.5 In the finals series, Rule 11.3 will not apply and the QDU will make alternative arrangements for the debate.

- 13.2 If changes are made to the draw:

 - (c) it is the duty of school coordinators to inform all relevant parties (including coaches, students and parents).
- 13.3 If a team prepares the wrong side of a debate, the debate may be postponed for 15 minutes in which time that team may prepare the correct side of the topic.
